American Hydrotech Hires Bruce H. Duncan as International Sales Manager

CHICAGO, ILLINOIS (March 14, 2013) American Hydrotech, Inc., a recognized leader in the development and distribution of premium waterproofing and roofing products, today announced the addition of Bruce H. Duncan as International Sales Manager. His responsibilities will include the promotion of Hydrotech's products and assemblies at the architectural level and provide support to Hydrotech's sales representatives and authorized applicators for all markets excluding the United States.

Duncan brings more than 30 years of construction experience, holding a variety of sales, sales management and marketing positions with Dow Chemical. "The industry relationships and deep knowledge of Hydrotech's products and assemblies Bruce has will be instrumental in bolstering our sales efforts on an international level," said David Spalding, President of American Hydrotech, Inc.

Duncan joined Dow Chemical Canada in 1981 and has overseen the Commercial, Roofing and Low Temp markets in North America since 2001. He has served on CSI's Strategic Planning Task Force and CSI's Building Products Manufacturers Council. He is also a Construction Specifications Canada National Award of Merit winner and was recently elected to Construction Specification Canada's College of Fellows. Duncan holds a degree in Business Administration, Management Studies from Conestoga College in Kitchener, Ontario.
